Enjoy captivating views from every turn in this elegant east Aspen custom home with some of the finest details and craftsmanship. The open floor plan is perfect for entertaining and family gatherings, highlighted by the vaulted ceilings, hand-carved wood beams, white oak floors, tasteful finishes and the backdrop of views from Independence Pass to Mt. Sopris. Six en-suite bedrooms, 4 powder rooms and the master suite is located on the living room level. This serene location is just 5 minutes away from the center of town.
