Location, Location, Location! Situated on Ute Avenue this home is an easy walk to the core of Aspen or 5 blocks straight to the Gondola, or take the Downtowner Shuttle. There are panoramic views over the town of Aspen and toward the beautiful Red Mountain and Hunter Creek Valley. This is an architectural award winner, built into the mountainside.

There are impeccable designer furnishings, antiques and elegant mountain decor. For the Chef there is a gourmet kitchen with breakfast area & a formal dining room. The floor to ceiling windows create a towering great room with a giant stone fireplace and a family room just off of the living room. A wide balcony stretches the entire length of the home with patio furniture to enjoy outdoors and the views.

Each of the 6 bedrooms feature bath en-suite, 4 have fireplaces. The 6th bedroom is a great nanny suite with kitchenette and sofa bed. There are 2 staircases to access each level or use the elevator. Outdoors is a Jacuzzi overlooking the city of Aspen.

King, King, King, Queen, Queen. Bunk room with 4 twins & Crib available.
